FOR IMMEDIATE RELEASE

IT'S TIME AGAIN FOR VSA NEVADA'S SUMMER ARTS CAMP

One week of art and fun-filled activities for children ages 6-10

Reno, Nevada, June 13, 2011-- VSA Nevada at the Lake Mansion offers summer five day art camps every week beginning June 13, 2011. Each day is filled with exciting and inspiring activities to break up those long summer days, and give parents a bit of time for themselves.

Each day consists of one hour in an acting workshop, which is great fun and gets all the children involved, one hour in a visual arts workshop where children will have the opportunity to create artwork and inspire their creative imaginations, and one hour of creative movement with music, sometimes including drum circles and all kinds of fun activity.

The camp runs Monday through Friday, from 9AM until 12PM. For VSA Nevada's full art camp schedule, please visit www.vsanevada.org. Parents will need to pack a snack, but all art supplies are included. This art camp is a wonderful, hands-on way to foster a love of the arts at an early age and to allow children to express themselves in imaginative and positive ways.

The VSA Nevada Summer Arts Camp program is \$85.00 for all five days. Parents may sign up for one or more art camp session, as activities change at each different camp session. Interested parents can register on our Web site or by calling Abi Jensen at (775) 826-6100 extension 3.

Portions of the proceeds enable the VSA Nevada to continue providing Arts Access for All, as well as maintaining the beautiful and historic Lake Mansion, which houses the VSA Nevada, for all the community to enjoy.

VSA Nevada is a state-wide, not-for-profit and non-governmental organization. Since VSA Nevada's incorporation in 1986, its mission focuses on the arts for all people, with an emphasis on persons with disabilities. VSA Nevada at the Lake Mansion is located at the corner of Court Street and Arlington Avenue in Reno. www.vsanevada.org, info@vsanevada.org, 775-826-6100, ext. 3.
